

sha1::SHA1::SHA1

```
graph LR; A[sha1::SHA1::SHA1] --> B[sha1::SHA1::reset]
```

A diagram showing a transition from a state labeled 'sha1::SHA1::SHA1' to another state labeled 'sha1::SHA1::reset'. The first state is in a gray box, and the second is in a white box. A blue arrow points from the first box to the second.

sha1::SHA1::reset
