The diagram illustrates the dependencies of the source file `/home/travis/build/bender-wardrobe/Recast/src/core/utils/Utils.cpp`. It is represented as a root node in a grey box. Two arrows point from this root to its immediate dependencies: `utils/Utils.h` (in a black box) and `cstdlib` (in a white box). A third arrow points from `utils/Utils.h` to its dependency `string` (in a white box).
