

crow::Crow::debug_print

```
graph LR; A[crow::Crow::debug_print] --> B[crow::Router::debug_print]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'crow::Crow::debug_print'. The right box is white and contains the text 'crow::Router::debug_print' on two lines. A dark blue arrow points from the right side of the left box to the left side of the right box.
